It is the policy of our office that all fees are due at the time services are rendered whether by check, cash or credit card unless prior arrangements have been made. We welcome frank discussion of services and fees at the time of treatment in order to avoid any misunderstandings. We are happy to file your insurance for you, however, regardless of insurance coverage; you are responsible for payment of your account within the credit policy of this office. If fees are incurred in order to collect delinquent accounts, those fees will be the responsibility of the patient.

I authorize the release of any medical/surgical information necessary to process this claim and authorize payment of medical/surgical/medical equipment benefits to be made directly to Ankle and Foot Centers of Georgia/Physical Therapy Centers of Georgia/and or International Center for Foot and Ankle Surgery. After all insurance payments have been paid I fully understand that I am responsible for the remaining balance of my account.
